The Manchester Guardian on 28 February **1919** printed a list of nominations for the election of county councillors for Lancashire. For Whitefield, it stated that "*Mr. Cornelius Pickstone (L), bleacher and printer, Nursery House, Chapel-field, Radcliffe, will be opposed by Mr. George Thomas Temperley (C), paper mill manager, St. Vincent's Villas, Whitefield,. The seat was previously held by a Liberal*". Curiously, no report has been found of the results!
