Ellen Hesford married Peter Smith on 1 August 1901.

James Hesford married Annie Bentham on 9 May 1914. [But the curious thing here is that the official marriage register records them both as aged 17! This could not have been the case. Both the address and name of Isaac's father are correct. However, in the box above, number 365, their names had been crossed out, but their ages had been entered as 34 and 27. This is much more accurate. The word cancelled has been written across that box.]

Elizabeth Hesford married Leonard Edwin Newton on 31 August 1916.

Arthur Hesford married Ethel Nelson on 20 April 1918.

Harry Hesford married Beatrice Derbyshire on 4 June 1921.
